**Association of Humanistic Solidarity
Saint Lucia-Cuba**

Dear friends:

The Cuban Institute of Friendship with the Peoples extends to you warm and supportive greetings on the occasion of the important meeting that summons you.

We are aware of the work that the Association has been developing for years, making it a reference of solidarity work with Cuba in the Caribbean.

You, from the spaces of solidarity with Cuba, have contributed to promote the 43 years of bilateral relations between Saint Lucia and Cuba. Since then to date, multiple actions and days in solidarity with our country have been developed in St. Lucia, including the creation of the Association, which is now in its 17th anniversary.

Congratulations on these 17 years. At the same time, we are grateful for all the support you give us, especially for your efforts in sending donations to fight Covid 19 and recently, to support the victims of the explosion in the Industrial Zone of Matanzas.

Thank you, dear friends, for everything you do. Today you will also dedicate part of the meeting to honor the 96th anniversary of the birth of the eternal Commander in Chief Fidel Castro Ruz. From him we learned that united we will always be more; therefore, we will continue working for a United Caribbean in solidarity.

We wish the Friendship Association much success in its future plans; we are sure that we can always count on the support of all of you, whom we will have the honor to meet during ICAP next working visit to Saint Lucia.

Long live friendship and solidarity between our peoples!

! For a Caribbean united and in solidarity always because WE ARE CARIBBEAN!
